To

J L Mallaradhya, Esq., M.A.,
Secretary to the Govt of Mysore,
Revenue Department, Bangalore

Sir,

Re Enhancing the rates of toll on laden and unladen carts entering the Municipal limits of Kunigal town

---

In forwarding herewith in original the connected records received from the President, Town Municipal Council, Kunigal on the above subject, I have the honor to state as follows -

The President states that the present rates of toll on laden and unladen carts as noted in the margin* are in force as per draft rules sanctioned in G O No L 6481/a1 8-26-52 dated 16-3-1927 In order to improve the income under tolls the council had resolved at their meeting held on 31-12-1944 to enhance the existing rates of toll from one anna to two annas in the case of urladen carts and from two annas to four annas in the case of laden carts

Laden cart	0-2-0
Unladen cart	0-1-0

"4"

Required formalities were observed and four objection petitions were received These were considered by the Council at their meeting held on 1-3-1945 and after discussions it was resolved that the proposed rates noted above be retained as it goes a long way to improve the income under this head as the objections preferred are untenable

The income under tolls for the years 1941-42 to 43-44 are as noted in the margin* By the proposed enhanced levy the Municipality anticipates an annual income of Rs 6000/- under tolls as there has been considerable increase in the number of carts and lorries entering the Municipal limits on the removal of control on jaggery

41-42	3935- 5-0
42-43	3969- 4-9
43-44	3364-12-0

As this is one of the several measures, proposed to improve the finances of the Municipality, I request that

that sanction of Government may be kindly obtained in the matter

I have the honor to be,
sir,
Your most obedient servant,
